

Case-Clean

A/C Case Cleaner

Case-Clean is a case and diffuser cleaner specially formulated to remove grease, dirt and grime from inside and outside air-conditioning units leaving the workplace clean and tidy.

Excellent at removing dirty fingerprints and other marks after maintenance and servicing. Can be used on all hard surfaces not affected by water as a general cleaner.

Instructions for use :

Do not spray directly on to electrical components.

Case-Clean is ready to use, simply spray on and wipe off with a clean cloth.

For more stubborn stains leave Case-Clean to work for 5-6 mins then wipe clean.

Always wear the correct personal protective equipment.
